Sir,

The Hospet Sugarcane growers' Union which is subsidized out of the sugar excise fund, spent a sum of Rs.30--1--0 out of the subsidy to purchase stencil boxes, for which, there is no provision in the scheme. The question was discussed in the last meeting of the heads of Departments held on 6--3--'39 and it was resolved to get the approval of Government for the expenditure after getting the explanation of the Society as to the necessity for the boxes. The Union has explained that in order to write field Boards of different sizes in

in bold type for the several experimental plots conducted by it during the year and to attract the attention of the ryots to the several improvements demonstrated, it was found necessary to purchase the stencil box to facilitate the writing. I request therefore that Government may be pleased to permit the expenditure.

2. In this case again, the Regr recommends the diversion of funds from the subsidy for purchase of steriel boxes by the Nasopet sugarcane growers Assn, viz. for a purpose not provided in the scheme of help. If once such applications are sanctioned, it will be difficult to resist similar applications for using the subsidy on objects not provided in the scheme also too, the expenditure involved was only Rs 30-0-0 and the society ought to be able to meet the expenditure. In order to take the Regr's view be NG that as the expenditure is outside the scheme of help to sugarcane growers, the society will have to meet the expenditure from its own fund.

I think Govt should not reject the recommendation of the Revenue Heads of Depts concerned. The idea of this grant is to help cane growers increase their

produce advantageously. All that we can do to help them do so may be done. If purchase of harness carts & seed is permissible there is no objection in principle to purchase of Steiral boxes. Prop. order already issued by Govt & her cover their purchase. Hence the R is request for fresh order. We may permit the expenditure incurred on the purchase of Steiral boxes as requested by the R
